

Whiteparish Store & Post Office – Newsletter No: 17

Pre Christmas Special!!  *Ho Ho Ho...!*

TIME FOR TURKEY...

Yes folks it's... **Whiteparish Store's Annual Big Breasted Bird Bonanza....!**

Yet again, even though our volunteers didn't want us to do it, we are offering high quality locally sourced birds **ready for collection at the Shop**. We are delighted to say prices have again only been increased by the smallest of margins. We reckon we are now one of the highest quality and cheapest suppliers around.

This year we are providing a collection service in response to customers' requests. For those customers who will have difficulty in getting their bird home, we will be offering a free delivery service.

Whiteparish Village Store does not make a huge profit margin as we regard this as a thank you to our loyal customers and our service to you! If you're one of the few who are still not sure about our birds... just ask anyone who has tasted them!!!

Ordering will be kept simple again this year. We must stress that **unlike supermarket birds we can't guarantee a certain size... I will repeat... we can't guarantee a certain size!!** But we will again be offering them in a range of three sizes, and we will **try** to get smaller birds as requested. Please indicate what size range you would like and the date you would like to collect. The order forms are on the reverse of this Newsletter.

FJORDLING FISH ...

We will also be ordering the Fjordling smoked range of delicacies this year, ever popular, from smoked salmon through to fish pate and chicken. Order forms are again on the reverse of this Newsletter.

OTHER NEWS...

Sorry, but it's taken ages to get the floor tiles down in the shop sorted out; we had to move some shelves and shift a freezer... The lack of a rush of volunteers also didn't help.

IN THE NEW EXTENSION

Our new shop extension has been a big hit with book browsers, new ranges of cards for sale and tea and coffee facilities...

We are still after an extra bookstand that would fit inside the new area. We'd be delighted to take it off your hands.

NEW HOT FOOD LINES

Our meaty burgers have gone down a storm, I've tried them and they are rather tasty! We've also got some new lines called Lamb Ogies... don't ask as I have no idea! But again they are fast selling and very popular.

OUTSIDE

Our three new brass sign lights have taken ages to install and that's not down to our very patient local electrician Ben Gater!!

But we needed to build a simple facing board to bring them out over the sign! We've decided to do up the old sign, and have been delighted to have an offer to do the Sign Writing for us... Tell ya more next time!

To be restored!!!

CHRISTMAS ITEMS

Mandy's asked me to remind you we can order Christmas Cakes, Yule Logs and additional bread supplies if required! I've also noticed the goose fat on the shelf already... makes the best roasties ever!!

If there's anything else you'd like us to get in, just have a word with Mandy.

CAPTION COMPETITION

And our winner is Ron!

Caption entry winner....

Me pony express? No I'm waiting for Jim he's lost his bike again!

If you fancy sponsoring this newsletter and having your details added, let us know we'd be delighted to speak to you. Doesn't cost much - we are just grateful for any help!!!
